

GASS Victoria Drug and Alcohol Policy

- I. The consumption of alcohol by exchange students, while in the company of their host parents, is at the discretion of the host parents.
- II. GASS Events attended by German exchange students during their exchange, but not ordinarily attended by their host parents, are alcohol free (including but not limited to camps, Melbourne Weekend and movie nights). This includes immediately before, and immediately after, any event.
- III. GASS events attended by Australian scholarship recipients before their exchange, but not ordinarily attended by their legal guardians, are alcohol free (including but not limited to Kaffee und Kuchen and farewell events). This includes immediately before and immediately after any event.
- IV. GASS Wintercamp, Melbourne Weekend, Movie Night, and Canberra/Sydney Camp, are alcohol free. This also applies to any GASS members and supervisors present.
- V. Other GASS events support the responsible consumption of alcohol. The provision of alcohol at any such event must comply with any local, state or federal legislation.
- VI. The smoking of cigarettes by exchange students is frowned upon, and any student who chooses to smoke must do so with the permission of their host parents.
- VII. All GASS events are smoke free. This includes immediately before, and immediately after, any event.
- VIII. Illicit drug use is banned during any part of the exchange.
- IX. Any deviation from the above rules brought to GASS' attention will be appropriately investigated.
- X. Breaches may result in bans from GASS or SAGSE events, termination or repayment of scholarships or in extreme cases, criminal prosecution.

I, the undersigned, have read the GASS Drug and Alcohol Policy and agree to adhere to it. I understand that breach of the policy may lead to sanctioning from GASS or SAGSE.
